LB 141-26—8

Sir,

With reference to Government Order No. L. 5545-62/L.B.141-26-2 dated the 9th February 1927 calling for proposals for creating facilities in the interior parts of the District which are not within the easy reach of existing medical institutions, by grant of contributions to the Sub Assistant Surgeons who agree to live in localities to be selected by the District Board, I have the honour to state that the subject was placed for the consideration of the Board at its meeting held on 22nd March 1927. After discussing the subject in all its aspects, the Board generally approved of the scheme and resolved that it may be tried in four centres in this District, where the need for Medical aid is urgent. A copy of the resolution is enclosed herein for information. The cost involved in the proposal will be met, with the concurrence of the Board, partly by the abolition of some of the existing Ayurvedic and Unani Dispensaries, which are not working well, and partly out of the closing balance of the Board.

Under these circumstances, I request you to be so good as to obtain approval of Government to the proposals of the Board

I have the honour to be.
Sir,
Your most obedient servant,

B. Krishna Rao
President,
District Board, Shimoga.
